Certification

Please Check One

_____ I certify that I understand and elect ONLY to participate in certification core classes as an **AUDITOR**. I further understand that by participating **ONLY** as an **AUDITOR**, I am not entitled and/or eligible to receive certification and/or credits for such participation. I further understand that, should I desire to obtain certification and/or credit for participation in certification core classes, I will have to give the appropriate donation fee(s), re-enroll and retake such certification core classes as a certification and credit student, as well as fulfill **ALL** of the necessary requirements governed, prior to receiving a certification and/or credit for all certification core classes. I further understand that by electing to participate in **ONLY** certificate core classes as an **AUDITOR**, I am not eligible to pursue **ANY** degree classes offered. I am only eligible to pursue degree classes **AFTER** I have enrolled in and **COMPLETED** all certification core classes as a certificate and/or credit student.

_____ I certify that I understand I am enrolling in RWCBI as a **NON-MATRICULATE** student. As a **NON-MATRICULATE** student, I understand that I have not been accepted, at this time as a student eligible for enrollment in certification core classes. I further understand that, upon completion of all necessary requirements for **NON-MATRICULATE** students, only then will I be eligible to enroll in the certification core classes offered by RWCBI as a certificate and/or credit student, leading up to the ability to enroll in degree courses, once the certification core classes have been completed. I further understand that all donation fees given to be enrolled in **NON-MATRICATION** studies were for those classes **ONLY**. I understand that, once the **NON-MATRICATION** classes are completed, I will need to give the appropriate donation fee(s) and enroll in all certification core classes as a certificate student.

I understand that RWCBI is a religious school. It is also my understanding that no guarantee is given or implied that credits will transfer for acceptance in the secular world
